

SHERRAIN MYLES

Sherrain Myles is a native of Texas, born in Denison and currently residing in Grand Prairie with her husband, Marcus. She is a graduate of Southeastern Oklahoma State University and holds a bachelor's degree in marketing and management.

Sherrain is an author and a seasoned healthcare sales professional with over 20 years of experience, specializing in the senior healthcare space. As the CEO and principal consultant of Sherrain Myles Professional Services, SPC, Sherrain has built a reputation for driving strategic business development, expanding client bases, and fostering cross-functional collaboration within healthcare organizations. Her expertise lies in identifying and addressing costly challenges in healthcare, such as high employee turnover, inefficient sales processes, and operational inefficiencies.

Sherrain has been happily married to her husband, Marcus, for 25 years. Together, they have two children: Madison, a 2022 Healthcare Administration graduate of Austin College in Sherman, Texas, and Mason, who is entering his second year at Morehouse College as a Pre-CTEMS major with a minor in Africana Studies.

In addition to her family and career, Sherrain is a proud member of the Lambda Upsilon Sigma chapter of Sigma Gamma Rho Sorority, Incorporated.

In her spare time, she is active in her church, enjoys reading, writing, painting and traveling which all further enrich her life with experiences that fuel her creativity and passion for making a difference.

Beyond her professional achievements, Sherrain is dedicated to making a positive social impact and having the opportunity to serve as the Region 7 Representative for Morehouse College Parents Council gives her another way to give back. She strongly believes that the time and effort that we pour into our young Men of Morehouse will result in many positive returns.

Sherrain is thrilled to work with each one of you in the states of her region: Arkansas, Louisiana, Mississippi, Oklahoma and Texas. Together, we can make Region 7 the best it's ever been!
